Procedures when accessing care:

Providers should contact EHS to confirm eligibility and plan benefits.

On the right hand side of the page, for your reference, is a sample of the AXA Global Healthcare GEHP ID card. Members holding this type of card can avail direct settlement for eligible treatment.

Pre-authorization is required for in- patient admissions and any out- patient visit or course of treatment where the combined cost exceeds \$500. Coverage restrictions may apply to specific policy/benefit plans.

Pre-authorisation is required for:

- Planned inpatient or day-patient treatment (hospitalisation)
- Any pregnancy or childbirth treatment
- Planned surgery
- Evacuation/Out of country transportation
- Second medical opinions
- Psychiatric treatment - inpatient, day- patient and outpatient
- Home nursing charges
- Planned MRI and CT scans
- Evacuations are supervised by your medical practitioner or specialist at the place of incident. They are also coordinated by our Medical Services Team and its related support network or the Emergency Assistance Medical Helpline. AXA Global Healthcare must agree to any Evacuation before it takes place.

Sample AXA Global Healthcare GEHP ID Cards

Under AXA Global Healthcare, GEHP Plan card that shows “Direct Settlement Network” is valid for eligible outpatient treatment under the direct-settlement network.

The following services are not available for out patient direct-settlement. Members are required to pay out of pocket and submit a claim to AXA for reimbursement:

- Routine management of chronic conditions
- Dental
- Maternity
- Wellness and health check-ups
- Vaccinations
- Vision care
